Harold Weisberg,
Route 8, Frederick, Md.

Dear Harold,

It was good to hear from you again. I read your letter with pleasure but with some mystification. The phrase you used has me baffled. I can't find that darn letter at this moment and I can't remember what it was but it sounded like it had some sort of hidden meaning. Please explain.

I hated to leave the Evening Sun but they offered me more dough here and I had to take the job. I have pretty much of a free hand so far and am enjoying myself.

I had a 15-minute documentary on Charles county and its problems. This was Sunday afternoon.

Currently, I am working on a documentary on Maryland jails and have some great film from Southern Maryland jails.

Let me know a little about how you are doing. Or give me a buzz.

Sincerely,

Art Geiselman
